11-MONTH WARRANTY FORM

We would like to thank you again for choosing Landmark Communities as your builder. It has been nearly a year since you have settled on your new home, and we hope you have found your home and the surrounding community to be pleasant and a comfortable place to live.

As you are aware, your limited Warranty will expire soon. Please list on the back of this form any warranty items that may need to be serviced at this time. We require that you list the page number from the "Industry Standards Manual" if it applies to the service item.

Upon completion of this form, please mail it back to our office in the enclosed envelope. Upon receipt of your form, we will contact you for an inspection of the items, schedule needed repairs, and answer any questions that you may have. It is our goal to complete these service items within 15 working days. Please keep in mind that some items may need to be ordered. In these cases a longer period may be needed to complete the work. Also, please remember that all service requests must be in written form. This will allow our Service Department to keep proper track of your warranty items. If you have any questions please contact Kevin Keyes at 513-652-3291 or by fax at 513-858-1594. We appreciate your patience and understanding.

Sincerely,
Paul A. Berding, President
Landmark Communities, Inc.

1768 Happy Valley Dr, Fairfield, OH 45014
